

Red River National Wildlife Refuge

Nature Tots!

Refuge Family Preschool Program

1st Saturdays

10:30 AM – 11:30 AM

Children ages 3-5 are introduced to nature through stories and puppets. Together we explore nature by walking the Refuge's trails, looking for clues, playing games, and making natural crafts. Programs continue rain, mud or shine so dress appropriately and/or bring a change of clothes. Adults or guardians must attend with their children. Siblings are welcome to attend and older children are encouraged to assist with program activities.
